MASSIMA QUALITÀ PRODUTTIVA

La stampa avviene per termosublimazione. E' un processo attraverso il quale il colore si unisce alle fibre del tessuto a livello molecolare affinché questo rimanga morbido, traspirante, impercettibile al tatto e con assoluta resistenza del design al lavaggio.

MASSIMO COMFORT

I tagli ergonomici sono stati concepiti dai nostri reparti style in modo da offrire la massima libertà di movimento in qualsiasi situazione agonistica.

Create your team image with graphics and colours personalization.

Graphics, company logo and sponsor will be printed directly on garment.

REALIZE YOUR EXCLUSIVE IMAGE ON
THE PRODUCTS  IN 5 STEP:

1. Create and send us your idea.
2. Enclose chosen colours (possibly pantone) and high resolution logos (vector formats .pdf, .ai, .cdr, .eps, are the best) with sizes and quantities.
3. You will receive the executive graphic project to be confirmed within 2 working days maximum.
4. After order confirmation, delivery will be made within the pacted contracting terms.
5. Are you ready with an exclusive look? Starting whistle? Relax time? Training work? Now it's up to you!

MAXIMUM PRODUCTION QUALITY.

The printing is a process of thermosublimation where the colour joins the fabric fibers on a molecular level so that it remains soft, breathable, slight to the touch and with absolute strength of the design to washing.

MAXIMUM COMFORT.

The ergonomic cut has been designed by our style department in order to offer the best freedom of movement in any competitive situation and not.
